In today's world, the role of Human Resources has changed dramatically.

We must be strategic thinkers; we must constantly stay up to date with the latest trends, technologies and methodologies that can help us make informed decisions.

I learned you are already experts in 'the future'

Although we've learned, that the future is a fickle mistress

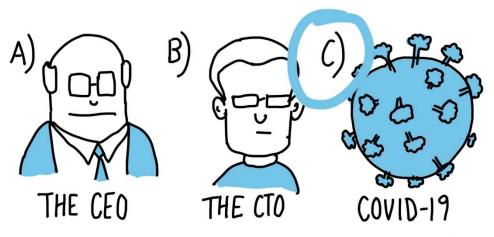

Even a stopped clock is right twice per day

(Proverb, 17th century origin)

A moment's silence, please, for the death of Mark Zuckerberg's metaverse *John Naughton*

Meta sank tens of billions into its CEO's virtual reality dream, but what will he do next?

Thanks Mr chatGPT, whoever you are,... but I'd like to focus more on the present

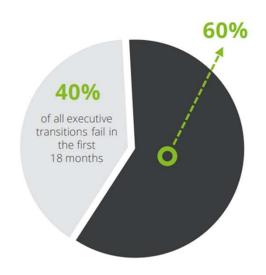

Play the ball as it lies

(something to do with golf, apparently)

Imagine this turned out to be the most beneficial conference you have ever attended

There are 3 key elements to being successful: Executing on the right priorities; having the right team in place and constructively managing your key relationships

Time

What are your priorities, where will you focus your time and how will you enforce that?

Talent (of your HR Team)

Do you have the right team in place to have the confidence you can deliver on your priorities?

Relationships

Who are your most important stakeholders and how will you actively manage them?

Setting priorities starts with understanding the expectations of your key stakeholders

Time

What are your priorities, where will you focus your time, and how will you enforce that?

Your leadership

Your employee population

The wider talent pool

You!

Understanding leadership expectations is less about 'people' and more about business objectives

Your leadership

The wider talent poo

You!

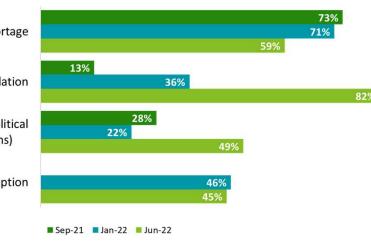

...attract, retain and develop our people

We asked over 100 CEOs what external issues they expect to influence or disrupt their business strategy within the next twelve months as part of the Fortune/Deloitte CEO survey...

Understanding leadership expectations is less about 'people' and more about business objectives

Business Strategic Priorities

For example:

- LOCAL TO GLOBAL
- MORE AGILE & PRODUCTIVE
- DIGITAL & ANALYTICAL

HR Priorities

For example:

- Support establishment of international offices
- Roll-out more agile performance management processes
- Define an IT workforce plan
- Use more technology in HR

Employee's priorities are starting to change, particularly for millennials and especially since the pandemic

Employee Priorities

The top reasons for *choosing* an employer are:

Work life balance

Learning and development opportunities

Pay

The top reasons for *leaving* an employer are:

Pay

Mental Health

Burnout

Pre-2020, employee engagement was rising globally for almost a decade, but now it is stagnant with...

of employees feeling 'disengaged'

of the workforce considered as "Quiet +50% Quitters" and of that, 18% considered as "Loud Quitters"

Employee's priorities are starting to change, particularly for millennials and especially since the pandemic

Your leadership

Employee Priorities

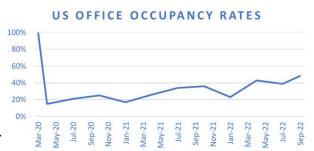

75% of Millennials and Gen Z AND 65% of women prefer hybrid work

Nearly **10%** of job postings are for remote workers...

almost **3X** the amount from before the pandemic

Office use has rebounded to its highest level since prior to the pandemic, but is still half of what it used to be

Employee's priorities are starting to change, particularly for millennials and especially since the pandemic

Your leadership

Your employee population

HR Priorities

For example:

Formalize a hybrid working strategy and policy

Improve coaching ability of managers

Review HR processes from an employee experience perspective

Implement a well-being program

Benchmark pay

Having the opportunity in your role to achieve your personal goals also defines priorities

Your leadership

Your employee population

The wider talent poo

You!

Hopes

 Write that novel / learn to windsurf / open a bar

Fears

 I can't work effectively with some of my peers

Legacy

I want my team to be better when I leave than when I started

Your Priorities

For example:

- Carve out more time for myself
- Spend more time with other leaders
- Upskill my team

You've now defined a set of priorities, but still have a day job

Identified Priorities

Support establishment of international offices

Carve out more time for myself

Roll-out more agile performance management processes

Spend more time with other leaders

Define an IT workforce plan

Upskill my team

Implement new HR technology

Implement a well-being program

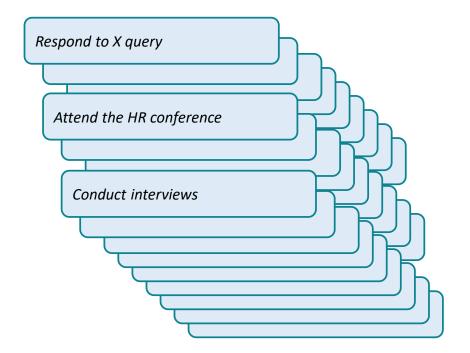

Formalize working hybrid working strategy and policy

Benchmark pay

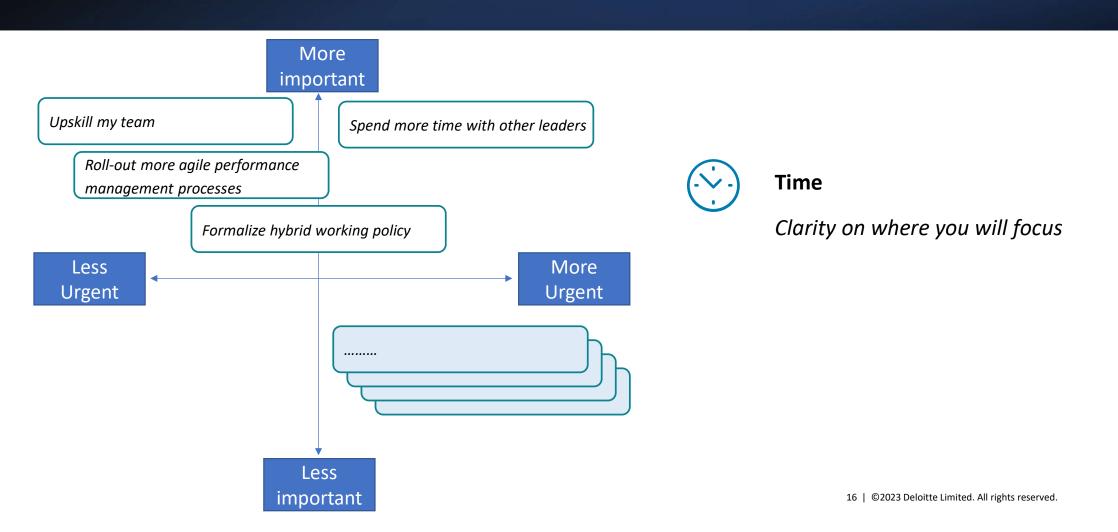

Improve coaching ability of managers

Review HR processes from an employee experience perspective

Everything else you have to do

And have to carefully consider how you prioritise the 'important' over the urgent"

This set of focused priorities can be used as a basis for your HR Strategy & Plan
